DEDICATION

The school year of 1955 held special significance for the students of Samuel C. Mumford High School. It was in this year that the final addition of the school was completed. Mumford, a construction drama enacted against the backdrop of blue sky, stands as a constant reminder to the people of Detroit of the privilege of public education.

We who have never known educational want; we who have lived with democracy and love it; we who are entrusted with maintaining the principles of democracy humbly thank and salute those who have provided free public education, which in turn has helped to make our country great.

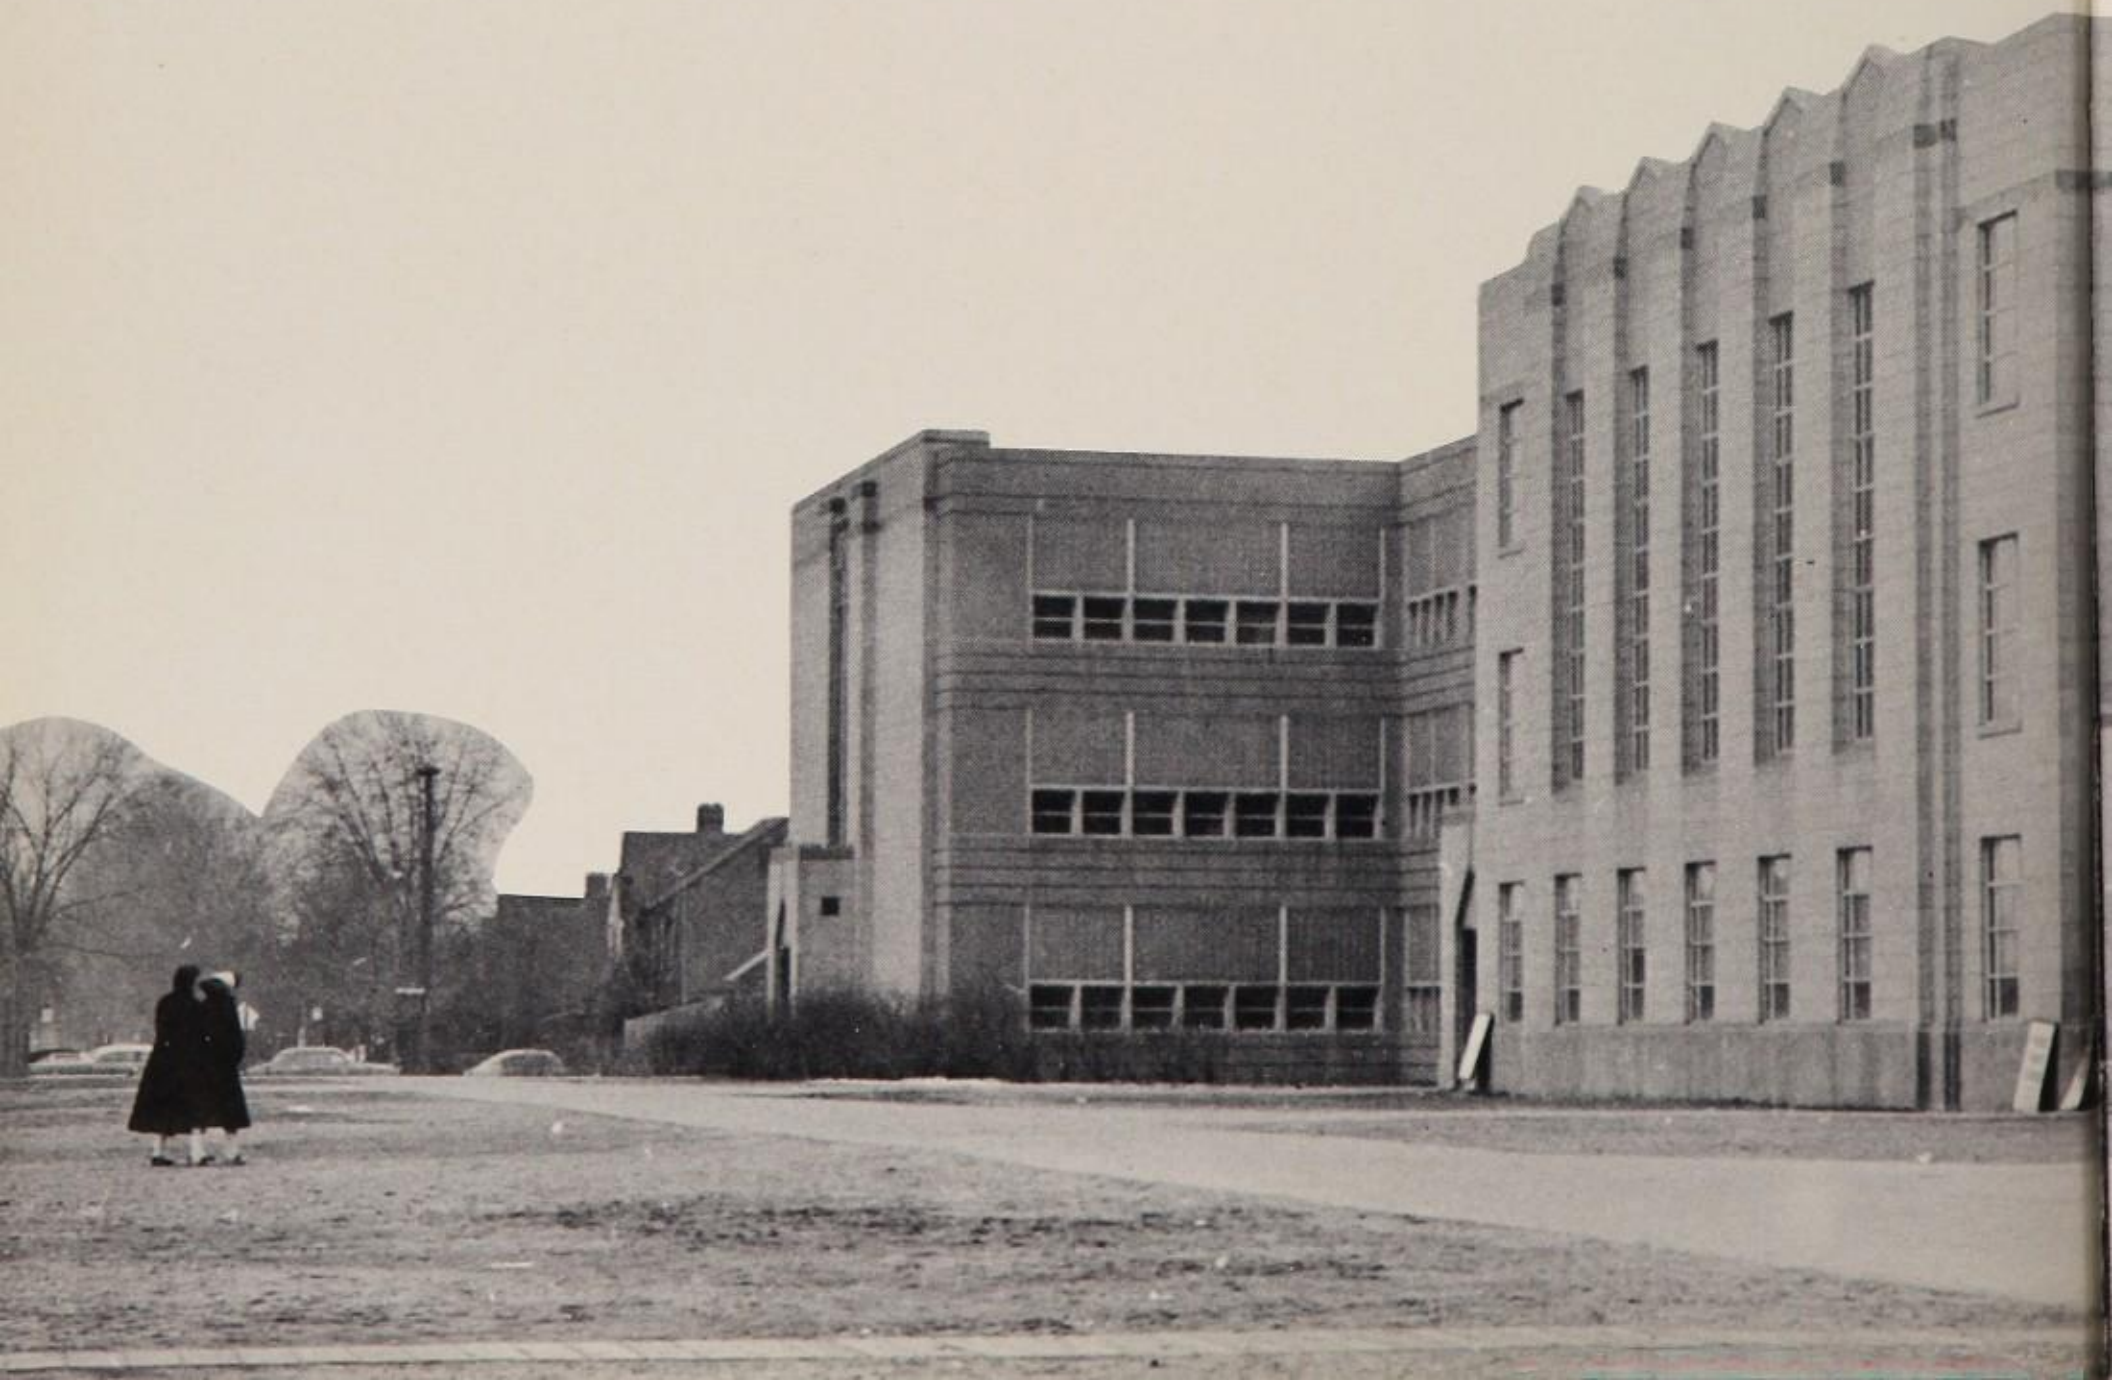

MUMFORD HIGH SCHOOL

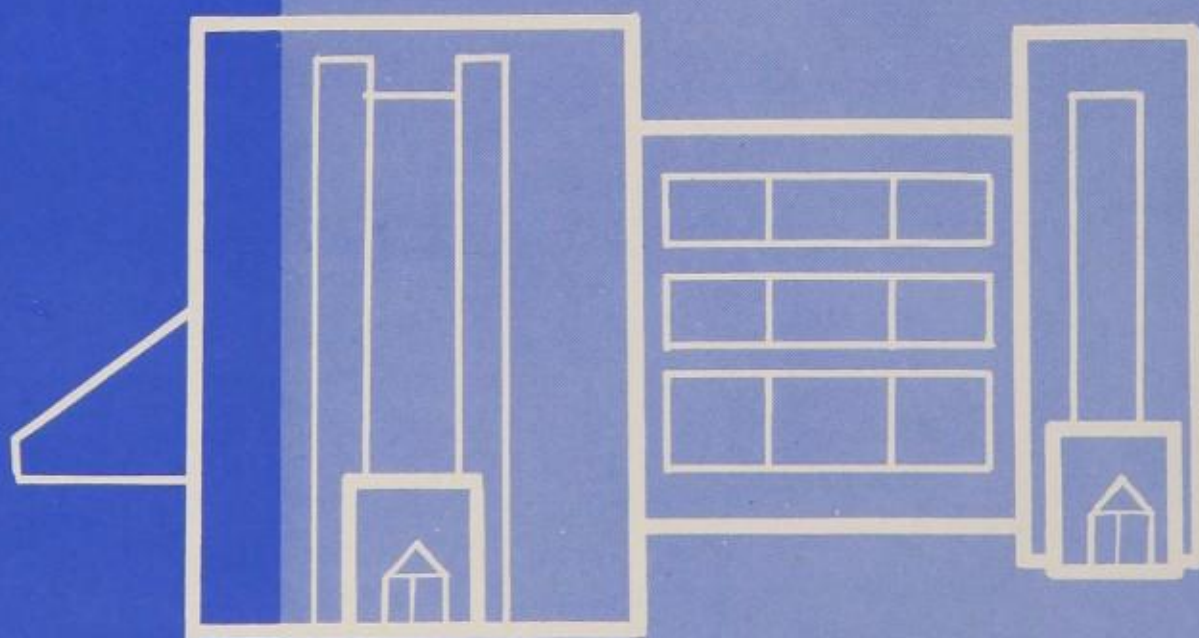

Detroit's young high school, Mumford, opened in 1949 with a student body of 428 and a faculty numbering twelve. At this time, the school consisted only of the present South wing.

In the last six years, Mumford has grown to take its place, both scholastically and structurally, among the top schools in this city.

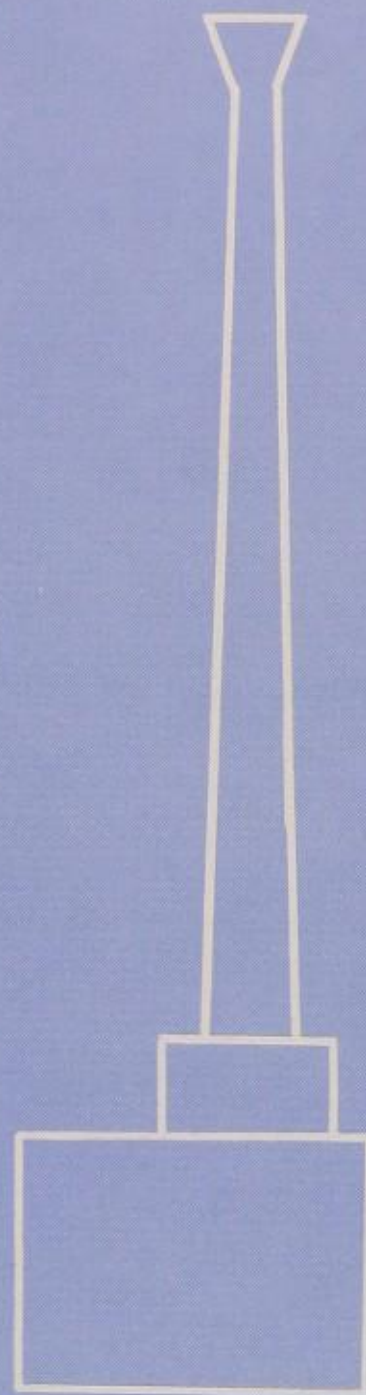

Although we lack the distinction of being Mumford's first graduating class, we the graduates of the year 1955 feel very proud to be the first graduates from the newly-completed school.

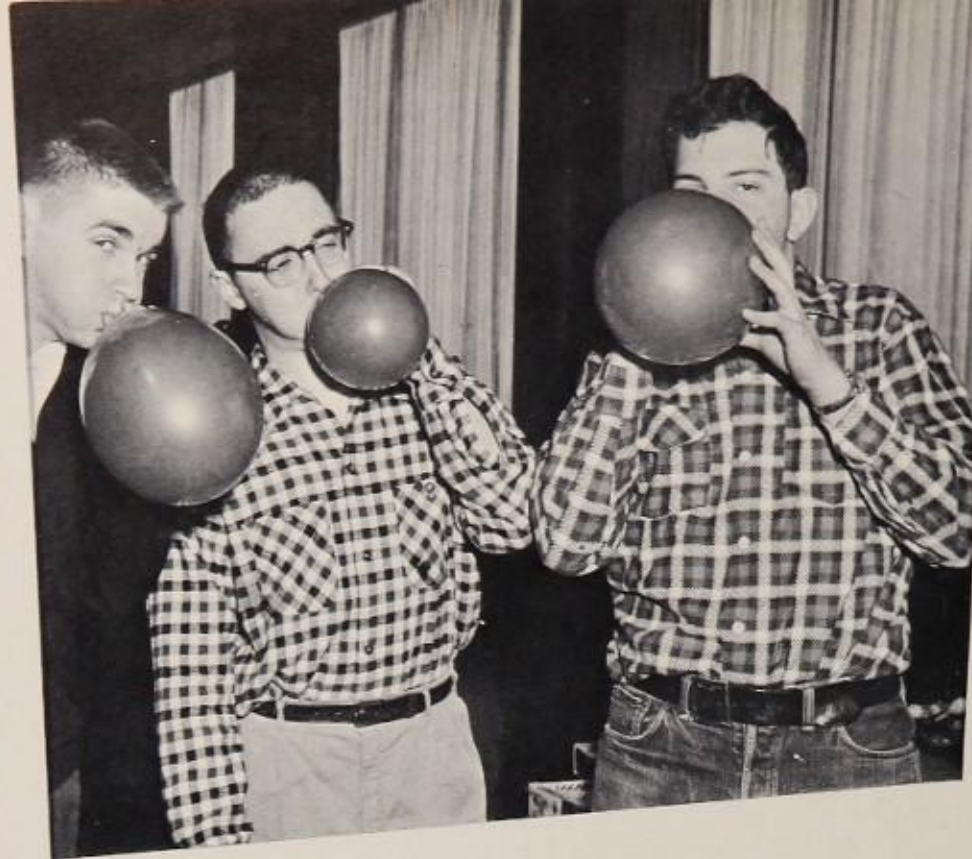

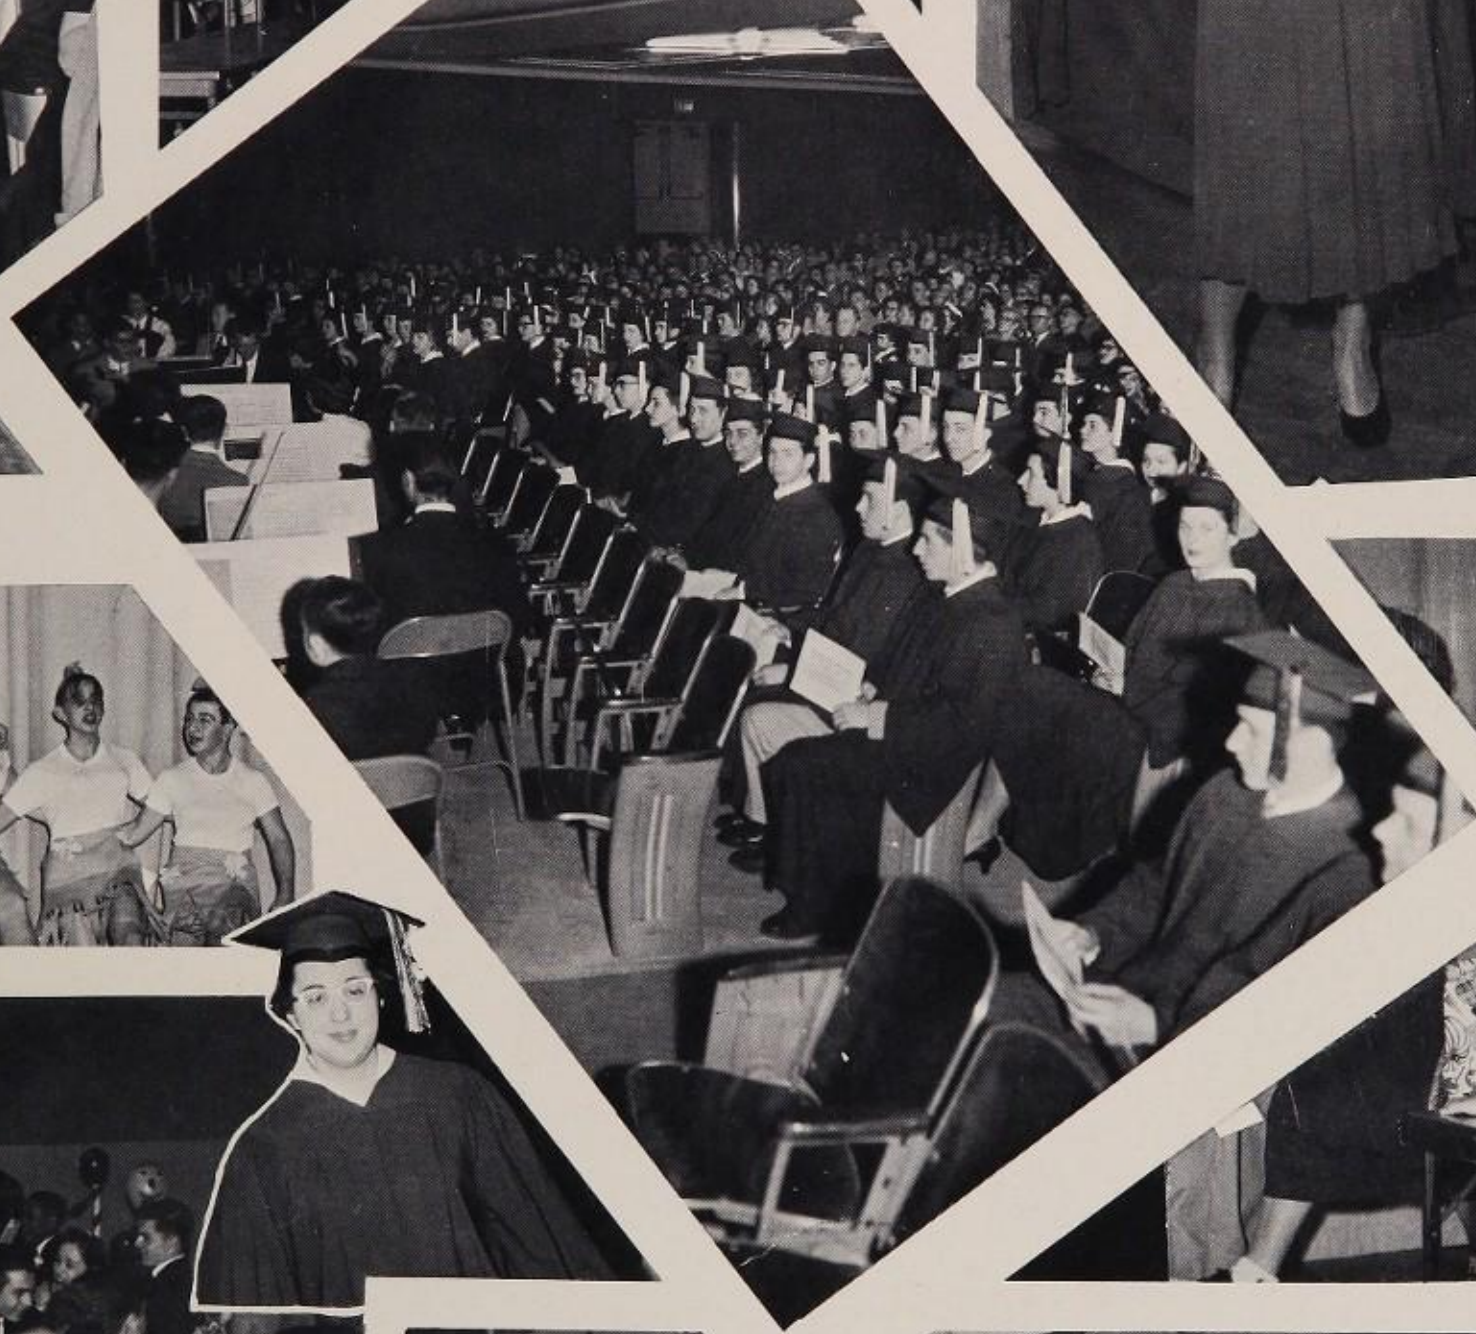

GRADUATES

Here at Mumford we enjoyed many activities in connection with our graduation. Numbered among these were proms, election campaigns and rallies, college night, a senior luncheon, and class day. Senior study, too, afforded us interesting and lively entertainment.

JANUARY STEERING COMMITTEE

Consisting of the class officers, committee chairmen, and Senior Sponsor Mr. John McDaid, the members of the Steering Committee guided their fellow classmates through the graduation year.

Supervising the class elections and planning activities were the functions of the group. Some of the committees included: Prom, Cap and Gown, Publicity, Programming, Gift, Honor Assembly, Graduation, and Alumni.

Eligibility for the activity was based on a counselor's recommendation and an interest in school affairs.

JUNE STEERING COMMITTEE

Working with senior sponsors, Miss Margaret Doherty and Mr. John McDaid, the June Steering Committee began tentative plans for the senior class in December of 1954.

Supervising the class election and organizing its many activities were among its functions.

A counselor's recommendation and an interest in school activities were qualifications for membership in this group.

ORGANIZATIONS

Among many of the organizational activities sponsored at Mumford during the year were skits by the French Club, sales campaigns for the yearbook, and entertainment of visitors from other schools. Orientation programs for freshmen, talent shows, Hi-Y mixers and artful puppet shows also provided an interesting part of the year's agenda.

DRAMA CLUB

Among the many activities of the Drama Club is the presentation of the annual Mumford plays. Last fall's offering was "Pygmalion" by George Bernard Shaw. Direction was by Miss Dorothy Patterson, the group's drama coach.

Other activities encouraged by these students include the promotion of dramatics on a higher level, one act plays, such as "Cleaned and Pressed", which was presented for the Parent's Club, and a variety show produced in co-operation with the music department.

Membership is composed of students invited by their fellow dramatists to be auditioned and selected on the basis of interest and ability.

LIBRARY CLUB

Maintaining smooth and efficient management of Mumford's library was the work of the Library Club. Under the direction of Mrs. Marie Webster and Miss Nona Duffey, school librarians, members served at the desk, typed book lists, and managed general circulation of books. Staff members earn two and one-half hours of credit in the library science course while performing an important service to the school.

Included on the year's agenda was a survey of other local high school libraries and trips to the Detroit News, the Main Library, and the Detroit Historical Museum.

QUILL AND SCROLL

Membership in Quill and Scroll, an honorary society for high school journalists, was secured by students who did outstanding work on Mumford's yearbook and school newspaper. International in scope, the society encourages and rewards individual achievement in journalism and its related fields.

In order to be selected, students must be seniors with a scholastic standing in the upper one third of the class. In addition, they must obtain a recommendation from the sponsor for having done superior work in the field of journalism. This recommendation is ultimately approved by the secretary of the society.

Under the guidance of Mrs. Nora Holm, commercial instructor, the Future Retailers strive to promote interest in the field of distributive education among students by actually working in retail stores. The club is sponsored by the Retail Merchants of Detroit.

Among other activities, the members planned a wienie roast with the Redford and Mackenzie High School retailing clubs, participated in city wide retailing contests, attended a state convention in Lansing, and a dinner at the Statler Hotel in honor of their employers.

The Mamselles, a retailing club for girls sponsored by Mrs. Margaret Holden, provides an opportunity for interested girls to learn more about retailing through representatives of local stores. Of the many projects undertaken throughout the year, one of the most popular was their annual fashion show.

FUTURE TEACHERS CLUB

Sponsored by Mrs. Marion Kelly, the Future Teachers Club endeavors to create student interest in teaching as a career.

This year's agenda included movies on education, speakers from the United States State Department's exchange teacher program, and a mother and daughter tea. Their project which proved to be most enjoyable was cadet teaching, in which members received actual classroom experience by working with children in the various local elementary schools.

CURRENT AFFAIRS CLUB

To enlighten students on current political topics and to initiate enthusiasm concerning current problems is the purpose of the Current Affairs Club. Bearing their aim in mind, the club members, with their advisor Mr. Melvin Weisz, social studies instructor, sponsored a symposium to which most of the school was invited. The topics included: "Should Germany Be Rearmed?" and "Which Political Party Best Suits The Needs of the American People?"

The members also made their annual trip to Lansing at which time they met the Governor and watched the legislature in action.

TRAVEL CLUB

Students and teachers alike shared in the fun-packed meetings of the Travel Club, which is sponsored by Miss Roberta Dye, social studies instructor. Held on Wednesday nights, these meetings were open to all interested students.

High points of the year included trips to Greenfield Village, Grosse Ile Naval Air Base, and the LaMeasure Laundry. At the latter chemical demonstrations proved to be interesting, fun to watch, and educational.

Row three: R. Light, P. Coats, I. Boesky, C. Terry, L. Brotman, D. Beckman, R. Dye, sponsor.

FUTURE NURSES CLUB

To better acquaint its members with the nursing profession and its associate fields is the aim of the Future Nurses Club. Sponsored by Miss DeMaris Wilson, home economics teacher, the club co-operates with the city-wide organization of Inter-Council of Future Nurses.

The prospective nurses visited various hospitals while learning the modern nursing techniques. The girls have also entertained the younger patients in the children's wards by making toys for them. Highlighting the meetings were movies and reports given by the members on different phases of the nursing profession.

Row one: B. Seigle, S. Lippit, vice-president; D. Wilson, sponsor; L. Poskel, secretary; S. Cohen, treasurer; B. Heavenrich.

KEY CLUB

As an affiliate of the Kiwanis Club of Detroit, the Key Club works with the young men of America. Its purpose in performing services for the school is to develop initiative in the future leaders of our community and to provide experience in living together.

Under the guidance of Mr. Selwyn Alvey, counselor, members receive practice in performing the kind of duties they will be called upon to assume as adults.

Supervised by Miss Dorothy Perron, social studies teacher, and Mr. Paul Kerber, vocational instructor, the Human Relations Club aims to promote better understanding and relationships among fellow men in the school and in the community.

An annual project of this organization has been collecting canned goods and packaging them for needy families to enjoy on Thanksgiving. Other activities include marking Brotherhood Week, conducting a rumor clinic, and showing movies concerning racial problems. The club actively participated in the Junior Round Table, a discussion group which includes students from different high schools whose purpose is the bettering of human relations.

To aid students in better understanding the field of biology is the purpose of the Bio-X Club, whose sponsor is Miss Margaret Middleton, biology teacher. Meetings included dissections, movies, lectures, and microscopic analyses.

A few of the many activities enjoyed by the members were a trip to Michigan State College, a two day week-end at Hillsdale College for a Science Fair, and viewing the film "The Vanishing Prairie".

I. M. S. S. C.

Sponsored by Dr. James Irwin of the English department, the Intra-Metropolitan Student Sportsmanship Sub Council encourages good sportsmanship at Mumford. Schools participating in this city-wide organization have the privilege of raising the I.M.S.S.C. flag, which signifies the practice and promotion of good sportsmanship in all school activities.

Pep rallies held during the school year encouraged school spirit and taught students the new school songs and cheers. The council participated in an exchange of students with other high schools. Along with the student council, the I.M.S.S.C. co-sponsored the annual Football Dance honoring the football team. The I.M.S.S.C. has grown into one of Mumford's most active organizations.

RADIO CLUB

Under the sponsorship of Mr. Maxwell Hutchinson, social studies instructor, members of the Radio Club communicated with other licensed radio stations all over the world. In addition to building and setting up their own radio receivers, the club also studied code, visited other radio stations, and worked experimentally with hi-fidelity.

ART CLUB

As a year's project, the Art Club presented "Thirteen Clocks", a marionette show by James Thurber. Along with the club members, Mr. James Siddall, art instructor and club sponsor, prepared for the show in the stage craft rooms under the stage.

The club endeavors to instill a greater appreciation of art in its members and provide an organization in which those interested are able to discuss and create artistic items.

 Row four: M. Rose, J. Katzman, A. Robbins, A. Auslander, M. Cohn, P. Winslow, J. Baum, L. Axelrod.

Guided by Mrs. Naida Dostal, French instructor, the French Club affords its members an opportunity to engage in French conversation, as all meetings are conducted in the language. Students gain an appreciation of French customs and traditions through songs, plays, games, and field trips.

Each semester the club presents a French play, group singing in French and a music meeting to which guest artists are invited. Colored travel slides and movies also add to their knowledge of French culture. One project of the club which has proved very successful in the past is a tri-club meeting of the group with the Latin and Spanish Clubs.

FRENCH CLUB

Suspense and drama were two of the factors contributing to the success of the annual French Club play.

SPANISH CLUB

Under the sponsorship of Mrs. Ines Woloson, Spanish teacher, the Spanish Club has gained knowledge of Spanish life through songs, dramatization of plays, and illustrated talks by various teachers, students, and visiting speakers.

Highlights of this year's program included a visit to Ann Arbor for the Spanish Day festival, a trip to the Shubert Theatre to see Jose Greco and his dancers, and their presentation of a Pan-American Day Program.

LATIN CLUB

Among the activities enjoyed by the Latin Club members were a joint meeting with Post Intermediate's Latin Club and a Roman-style Christmas party. Sponsored by Dr. Edith Kovach, Latin teacher, the club also acquainted its members with Roman civilization through informative discussions and interesting movies.

Highlighting this year's program was a visit to Ann Arbor for a tour of the campus and a series of lectures on Roman history.

FALL STUDENT COUNCIL

"We all co-operate, that's how we operate," was the motto adopted by the 1954 Student Council. This year's sponsors were Mrs. Zelda Pollinger, Miss Janet DeBorst, Mr. John Woolever, and Mr. Louis Millman. The council planned and sponsored school dances, the variety show, a clothing drive, and the United Nations Bake Sale.

To support school functions, to increase school spirit at Mumford, and to better student-faculty relations were the purposes fulfilled by the Student Council.

STAGE STAFF

Under the direction of Mr. Howard Mehr, technician, Mumford's stage crew kept the auditorium in readiness for programs, concerts, and other activities. Setting up scenery, keeping production moving, and checking sound equipment were the responsibilities of the group which consisted of twenty-five members.

Through these services Mumford's auditorium and audio-visual equipment were kept in good condition and used to the fullest extent.

Under the direction of Miss Dorothy Patterson, dramatic coach, Mumford thespians presented "Pygmalion" by George Bernard Shaw last fall on November 18 and 19, 1954.

The scenery for the play consisted of three original sets designed by the Stagecraft Class under the personal direction of Mr. James Siddall, art instructor, whose sets have been interestingly new and different with each play over the years.

The committees assisting in the production of the play were: Property, Publicity, Costume, and Ticket, all of which were sponsored by faculty members.

ATHLETICS

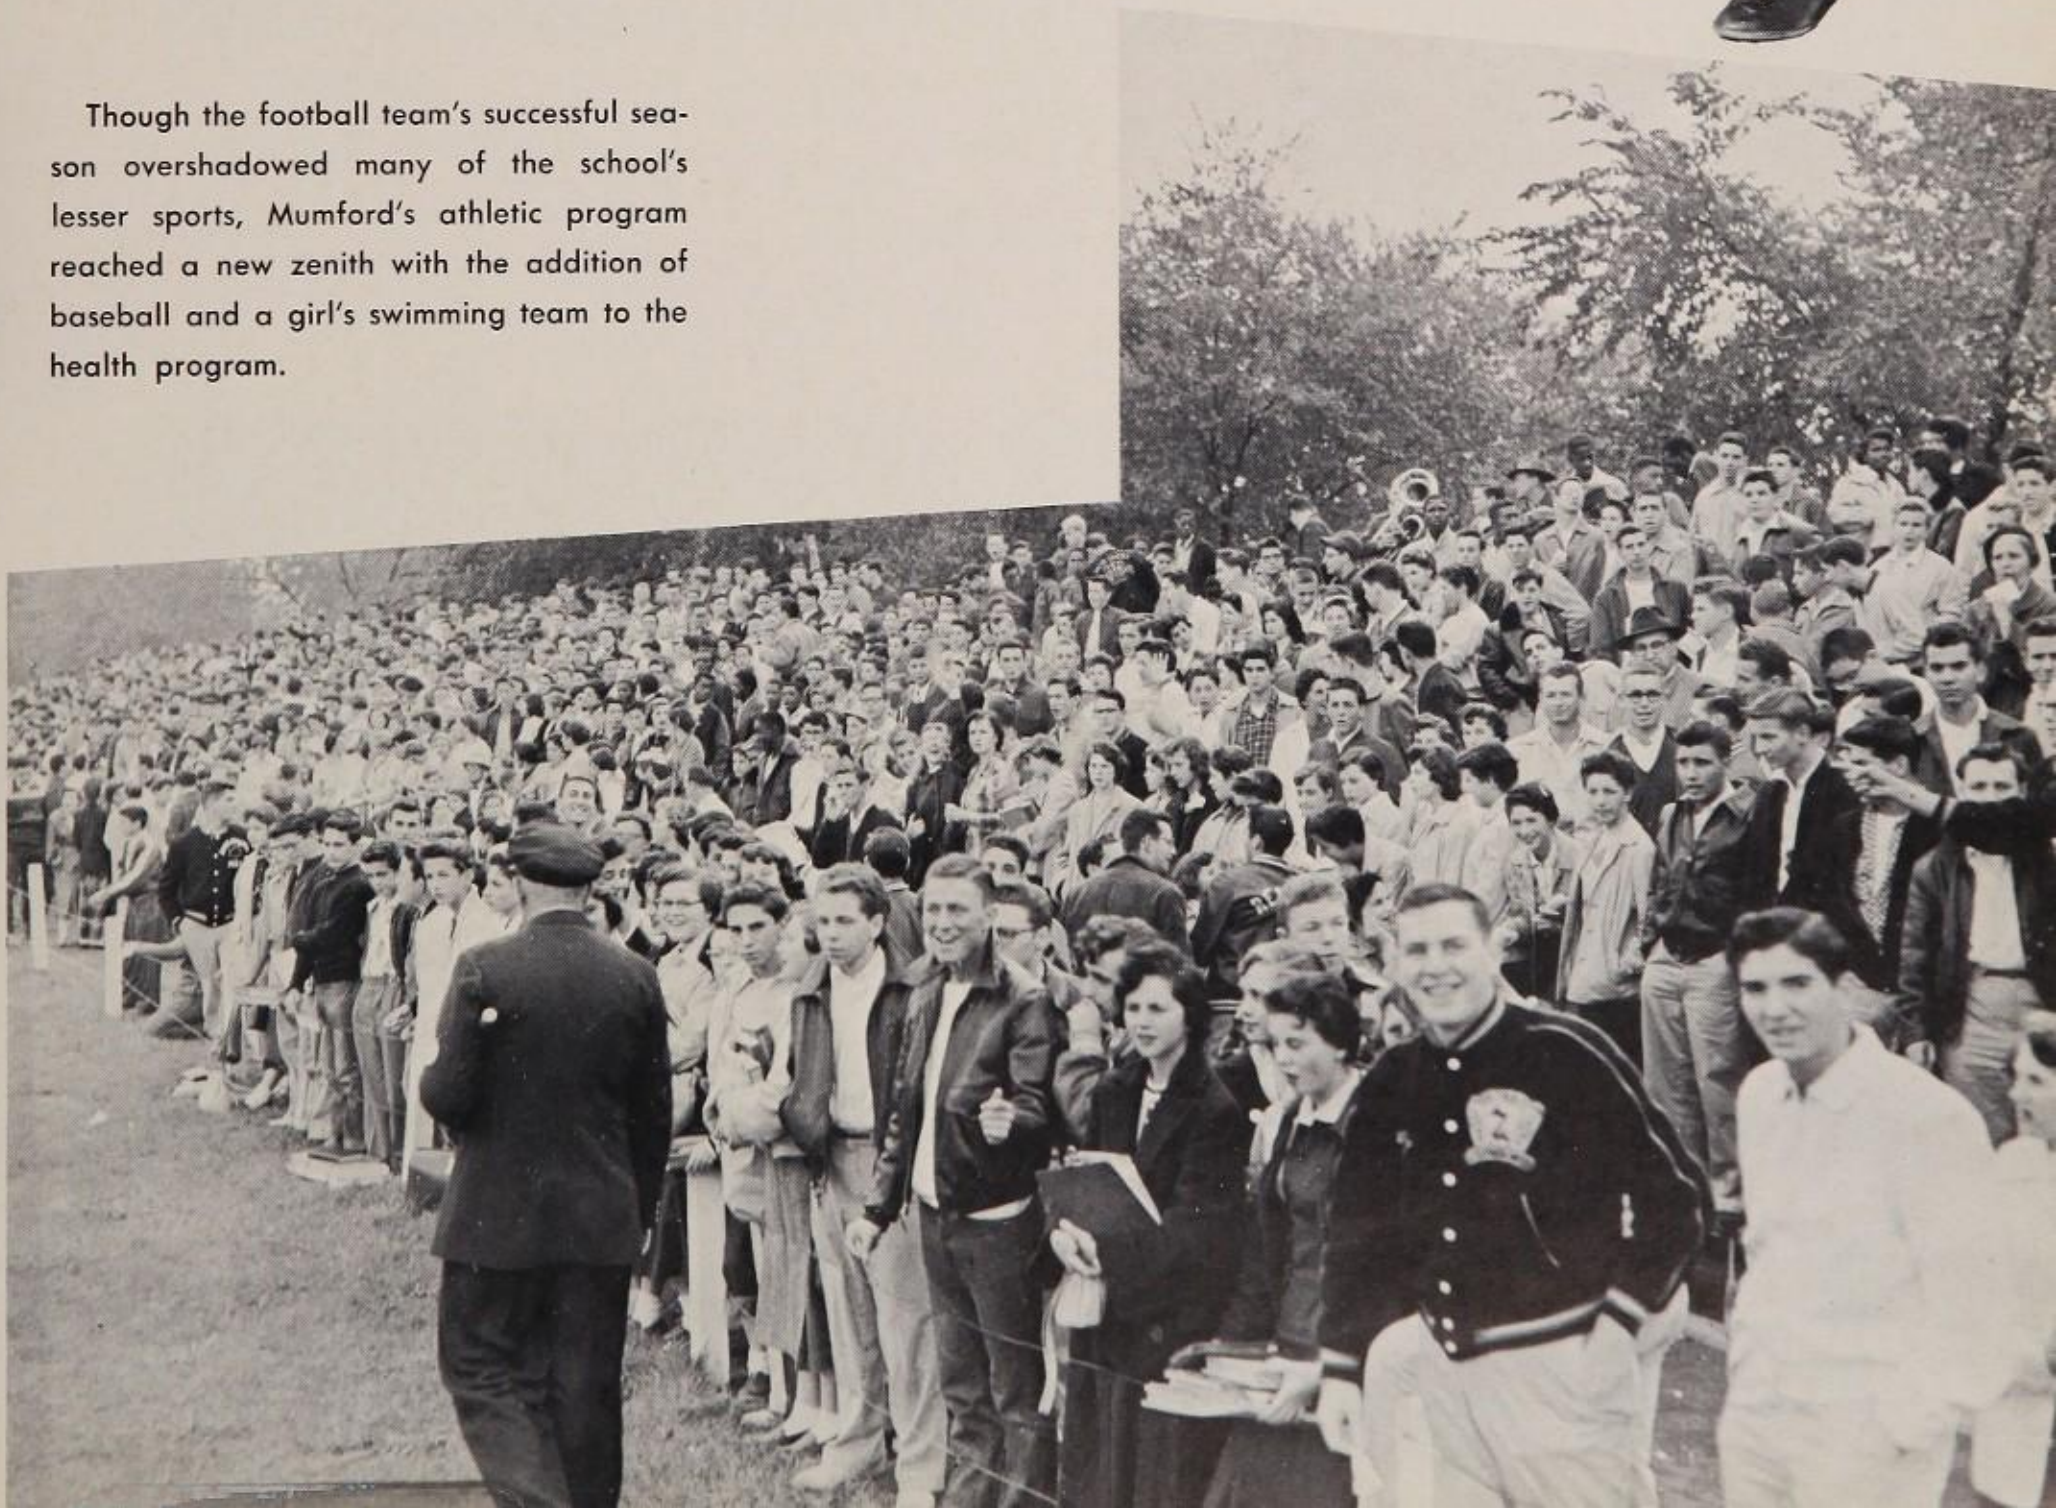

#1

Though the football team's successful season overshadowed many of the school's lesser sports, Mumford's athletic program reached a new zenith with the addition of baseball and a girl's swimming team to the health program.

FOOTBALL

Starting its second year in the Metropolitan Football League, Mumford proceeded to make its presence known. Given only an outside chance to top the West Side Division, the Mustangs went through their regular schedule without suffering a defeat.

Under the guidance of Coach Harold Grove and assistant coaches Stanley Mullin, Corliss Foster, and Harold Smith, Mumford earned a share of the West Side title by defeating Central, Mackenzie, Cody, Western, Southwestern, and Chadsey. In the last game of the season they were defeated by Cooley. However, this was a non-league game and Mumford's place in the standings was not affected.

Coaches Harold Grove and Harold Smith instruct co-captain Bill Gross on play strategy.

Roger Netzer, co-captain, gets information on passing technique from coaches Corliss Foster and Stanley Mullin.

CHEERLEADERS

Leading the cheers of the student body last fall was the first organized girls' cheerleading squad. These twelve girls, selected by members of the Student Council and faculty last spring, were often found practicing after hours with Miss Lois Holland, health instructor. Other schools, the coach, the squad, and the student body contributed to the collection of cheers.

For her effort, each girl received a block "M" backed by a megaphone. The cheerleaders successfully furthered the school spirit which was displayed by all.

Winning seven matches without suffering a defeat enabled Mumford to capture the West Side tennis championship. Among their victories was one in which Mumford broke Redford's two year winning streak. Our own victorious season was broken, however, in the city championship matches by Denby of the eastern division.

Using the "ladder" system, a method by which a girl may challenge the one directly above her, encourages each girl to improve her tennis skills so that she might reach the top ten. This group, varying with each match, plays in competition with other Detroit high schools.

The girls' tennis team won four out of six matches under the direction of Miss Marie Pauli, coach.

BASEBALL

Making their debut in baseball competition, the Mumford Nine, coached by Mr. Harold Grove, health instructor, finished the season with a five won two lost record. Because the team was not scheduled for regular league contests, they played teams of both divisions.

Winning the opener 8-2 over Cody, Mumford then dropped two close decisions to Redford and Southeastern by the scores of 5-4 and 2-1. It was clear sailing from there on in, for Mumford defeated in succession Wilbur Wright 4-2; Cass 8-3, 3-1; and Eastern 6-0.

FIELD HOCKEY

After many hours of practice on Monday and Wednesday of each week, Mumford's Field Hockey squad has shown itself to be one of Detroit's top teams in this year's high school competition.

Under the sponsorship of Miss Janet Adams, health instructor, the team defeated Chadsey, 4-1; Northwestern, 3-1; and Highland Park, 3-2. They lost to Southwestern, 3-1; and tied Cody, 2-2.

Mary Rattner takes aim.

During its second year at Mumford, the girls' golf team was again coached by Miss Marie Pauli, health instructor. Playing the majority of their games at Palmer Park and Redford Golf Courses last fall, the girls won two out of their five meets. They also participated in the All City Golf Day in which they competed with teams from other Detroit high schools.

An interest in the sport, a willingness to practice, and a set of golf clubs are the only requirements necessary to become a member of the team. At the end of the term, each girl receives a letter for her efforts.

GIRLS' GOLF

Lois Poskel has a determined look in her eye.

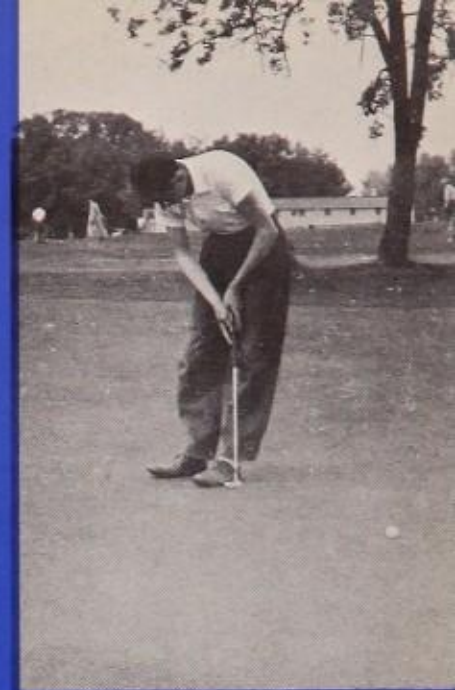

BOYS' GOLF

Lee Castleman takes aim and swings.

With Paul Lay looking on, Robert Karbel takes his back swing.

Paul Lay uses a perfect follow through in putting.

With only one year of competition behind them, in which they won a city championship, the golf team set out to repeat their past performance.

Mumford, coached by Mr. Paul Bernd, athletic director, started the season with a victory over Redford. The team continued on its winning ways by defeating Mackenzie, Central, Southeastern, Cooley, and Cody to qualify for the city championship matches. After defeating Denby, they lost for the first time to U of D in match play; but, they bounced back to capture the medal play championship.

GAS SERVICE SINCE 1851

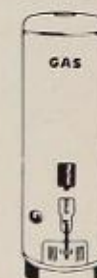

Gas service was first provided for Detroit users back in 1851. At that time only a few homes were lucky enough to receive the wonderful, new "illuminating gas" to replace kerosene lamps.

Today we are serving more than three-quarter million customers in Detroit and Michigan. And the natural gas provided is used in a great many ways . . . for cooking, water heating, refrigerating, incinerating, clothes drying, and house heating. Industry uses gas in a variety of processing operations.

We plan continually for the years ahead in order to provide an adequate supply of gas for the needs of the communities we serve.

Something to remember . . .

Edison will help you . . .

- Plan your kitchen
- Select your lamps
- Do the laundry easier

- Plan a menu
- Plan a one-dish meal
- Preserve foods easier
- Plan party refreshments

One of these days, perhaps very soon, you'll be starting a home of your own. When that time comes, look to the trained young women in the Home Service Division at Detroit Edison. They can help you solve many of the homemaking problems that frequently puzzle a new bride.

Without charge, they will answer your questions over the telephone . . . send booklets and folders . . . or in some cases make a personal visit.

In Detroit, telephone WOODWARD 2-2100. In other areas, call your nearest Edison Office.

P.S. Mother might be interested in some of their answers right now.

Take the Telephone Company, for example. Anyone who works for Michigan Bell will tell you it's everything a girl could want in a job.

First, you don't need any experience. You learn your job *on the job*, and earn a good salary while learning. Raises are regular and frequent. Your income is steady—you can always count on it—and you get annual vacations with pay.

Another nice thing about telephone work is that you'll associate with people your own age, just out of school, too. You'll work in clean, bright, pleasant surroundings. Whether you prefer to start as a telephone operator, a teller or a clerk, you'll find opportunities for advancement.

We'd like to tell you more about these and other interesting telephone jobs. Visit us soon, won't you?

MICHIGAN BELL TELEPHONE COMPANY

"A FRIENDLY PLACE TO WORK"

THE LAST WORD . . .

As the din of the typewriters ceases, the ever-present deadline is met, campaigns have ended, and the final pages of the Capri have been sent to the printer, I find a feeling of nostalgia creeping into the mixed emotions that an editor has at a time such as this.

Looking back at the school year of 1954-55 and recalling the problems the staff faced and the difficulties we overcame, mere words seem inadequate to express the deep feelings of gratitude, appreciation, and thanks that I offer my staff; our advisors, Mr. Charles Kaufman and Mr. Jay Bodzin; and the countless others who aided in the publication of the 1955 Capri.

And now, I should like to welcome the new staff and give them my very best wishes for a year of success and the hope that their year will be as eventful and as satisfying as was mine.

It was wonderful!

—MIRIAM
